Caruso's Voice Not Impaired, **Doctors Assert**

Stories Told by Arrivals London. A contract was signed yesterday by the terms of which George

Saw "Carp' Knocked Out In Vision Before Fight
Recent advices, by cable and letters, refute these statements, it was said. The tenor is mending well and his during Mr. Caruso's illness were his vocal cords are receiving a much-need and the horizontal cords are receiving a much-need and the horizontal cords are receiving a much-need off Decisive Round, but Associates Only Jecred Off Decisive Round, but Associates Only Jecred Off Decisive Round, but Associated Off Decis

rip.
"I have received personal information Thave received personal information that directly contradicts the news brought over on the Presidente Wilson. I have been informed that when Mr. Caruso landed in Naples he looked in every way vigorous and robust, an entirely different man from what he was when he boarded the steamer. Caruso himself has written to me that he is recovering, that he is feeling fine and that he is taking things easy. There is absolutely no foundation for the statements which have been made concerning Mr. Caruso."

In Fine Shape. Says Ziegler

recovering, that he is feeling fine and that he is taking things easy. There is absolutely no foundation for the statements which have been made concerning Mr. Caruso."

In Fine Shape, Says Ziegler
Mr. Ziegler was even more outspoken than Dr. Stella in commenting on the reports that Caruso was not recovering his health and his voice. If Caruso had made such statements, Mr. Ziegler said, they were statements made in the natural course of convalescence.

"Mr. Caruso cabled me at his arrival in Naples that he was in excellent condition," Mr. Ziegler said. "Only ten minutes ago I received a cable from Mr. Gatti-Casazza, who also is in Italy, and he did not mention Caruso. You may be sure if there were anything wrong Gatti-Casazza would have informed me.

"It is absurd to say that Caruso didn't sing at the ship's concert on the didn't expect to. When he left New York he had no intention of singing for at least two and a half months. It is also absurd to say that his voice

Mr. Acruso Cabled me at his arrival in Naples that he was in excellent condition," Mr. Ziegler said. "Only ten minutes ago I received a cable from Mr. Gatti-Casazza, who also is in Italy, and he did not mention Caruso. You may be sure if there were anything wrong Gatti-Casazza would have informed me.

"It is absurd to say that Caruso didn't expect to. When he left New York he had no intention of singing for at least two and a half months. It is also absurd to say that his voice

Kuhal Triel Caracity, her, true will spassenger complement being 2,150. In the saloon were 750; the second cabin, 600, and the steerage, 800.

The big liner got away promptly at 6 p.m., an hour when most of the visitors had left the pier.

Ameng the saloon passenger were: Daniel Guggenheim, B. G. Bensinger, Otis Cutler, Mrs. William H. Force, Mrs. Egerton L. Winthrop, Artur Williams E. Cloan, William E. Sloan, William M. Wood, Mrs. Caldwell Taylor, Mr. and Mrs. J. Borden Harriman, Stokes Hoyt, Mrs. and Mrs. J. Borden Harriman, Stokes Hoyt, Mrs. and Mrs. J. Borden Harriman,

formed me.

"It is absurd to say that Caruso didn't sing at the ship's concert on the way over. Of course, he didn't. He didn't expect to. When he left New York he had no intention of singing for at least two and a half months. It is also absurd to say that his voice is gone."

Hart Appoints Van Horn
Chief Deputy Director
Promises Statement Soon on Charges of Graft by Dry
Enforcement Agents
Harold L. Hart, Federal Prohibition
Director, yesterday strengthened his forces by three new appointments. He said other appointments were to follow and that he was endeavoring to find men of integrity with experience in law enforcement. He promised a statement soon regarding charges of graft among Federal prohibition enforcement agents. The newly appointed officers of the agency are:

Orange L. Van Horn, formerly of Compared to the comeday by Thomas Grant Springer and W. H. Hepenstead, L. I., on June 22, will be placed on trial to-morrow by District Attorney Charles R. Weeks. A special panel of sixty jurors has been drawn. Because newspaper accounts of the rime have been widely read, difficulty is anticipated in selecting a jury. Yesterday Kubal was examined as to find men of integrity with experience in law enforcement. He promised a statement soon regarding charges of graft among Federal prohibition enforcement agents. The newly appointed officers of the agency are:

Orange L. Van Horn, formerly of the promised a statement soon for the agency are:

Orange L. Van Horn, formerly of the promised a statement soon regarding charges of graft among Federal prohibition enforcement agents. The newly appointed to prevent attempts at suicide.

Director, yesterday strengthened his forces by three new appointments. He promised a static panel of the case. A special flow prevent attempts at suicide.

Harry Cahane will feature Cyril Chadwick in "Minus Marriage," the comedy by Thomas Grant Springer and W. H. Hepenstall, Dalsy Belinore, Haldbert Brown. Eveta Hudson, Olive Indiana Grant Springer and W. H. Hepenstall, Dalsy Belinore, Haldbert Brown. The Respect of the wick in "Minus Marriage," the comedy wick in "Minus Marriage," the comedy Thomas Grant Springer and W. H. Hepenstall, Dalsy Belinore, Haldbert Brown. The Respect of the wick in "Minus Marriage," the comedy to the wick in "Minus Marriage," the comed in

graff among Federal prohibition enforcement agents. The newly appointed officers of the agency are:

Orange L. Van Horn, formerly of Cooperstown, N. Y., a lawyer and former District Attorney of Otsego County, chief deputy director. He succeeds Judge Everett B. Holmes, who was temporarily in charge and who remains as counsel.

Thomas H. Reddy, Brooklyn, for fifteen years an agent of the Department of Justice. He was sworn in as inspector in charge of withdrawal permits. He succeeds Michael J. Lynch.

Louis J. Warner, of Binghamton, N.

named a Federal inspector.

Two stills with a capacity of twenty-five to fifty gallons a day were seized yesterday by police who broke into apartments at 101 St. Mark's Place. Five barrels of mash and thirty gallons of liquor were found. It is charged the operators of the still planned to make and sell whisky at \$3.50 a quart, so underbidding present "bootleg" market quotations as to attract thousands of customers and do business on a large scale. Four men were arrested.

Hylan Asked to Revoke **Old Dominion Leases**

Hirshfield Charges Steamship Company Is Re-Renting Piers for High Prices David Hirshfield, Commissioner of

Accounts, in a report to Mayor Hylan

last night recommended that the leases held by the Old Dominion Steamship Company for Piers 25 and 26, North River, be revoked, asserting that the company had been letting the piers, in violation of its agreement with the city. He also recommended that the Old Dominion Transportation Company be provided docking facilities at Pier 26. The Old Dominion Transportation Company came into existence in 1920 to replace the coastwise service between Norfolk, Va., and this city, which had been abandoned by the Old Dominion Steamship Company for the overseas trade. According to Commissioner Hirshfield, the latter company has not found its last venture profitable and is now seeking to resume its old line, with consequent embarrassment to the Old Dominion Transportation Company, city. He also recommended that the

with consequent embarrassment to the Old Dominion Transportation Company, which at present uses Pier 25, at a rental of \$700 a day, paid to the Old Dominion Steamship Company.

The transportation company has made application to Dock Commissioner Hulbert for a lease of Pier 25. Commissioner Hirshfield declared that the older company was obtaining ray. the older company was obtaining enues from the two piers several times exceeding what it pals to the city.

many rial at the polls at the election this fall.

The meeting authorized the appointment of a committee to prepare "an address to the public," which will be issued soon. While the nature of this

"The car of the future will be run by other fuel. Already the use of coal dust has passed the experimental stage. In my opinion, it will be used extensively within a short time. The coal dust is blown into the cylinders under pressure and exploded by a spark. A slight ash is formed which falls out through the bottom of the cylinder—or rather through the top, for the cylinders of the coal dust engine are turned upside down.

"Lighter cars must be manufactured in order to cut down the cost of manufacture and maintenance. Steel is too heavy for use in automobile construction and aluminum is too expensive. A composition of cotton, glue and formaldehyde is being used to produce a material that may solve the problem."
